# GIOVANNI® CONTENT MANAGER (/WEB/20131213022122/HTTP://BLUE-SPIKE.MYSHOPIFY.COM/PRODUCTS/GIOVANNI-CONTENT-MANAGER)

With Giovanni, digital content and digital information can be securely managed, automated interaction g ng lit

While there are many applications to content recognition, a primary concern is the ability to retain a "perceptual relationship" between the original signal and its data reduced version, A.K.A., a "signal abstract". This relationship may either be mathematically discernible or...
